

ERASMUS+ PROGRAMME

COOPERATION PARTNERSHIPS/SMALL-SCALE PARTNERSHIPS (KEY ACTION 2)

AGREEMENT NUMBER 2022-2-FI01-KA210-SCH-000098609

“Critical and Ethical Global Education – Heading up to Safer Schools” (CEGE)

This collaboration agreement shall govern relations between:

Rauhankasvatusinstituutti (RKI) [Peace Education Institute Finland], co-ordinator of the project and Agrupamento de Escolas de Santa Maria Maior, partner of the project.

The project and the school have agreed following:

The project will

- provide training, materials and support for the school during the project. Detailed work-plan (activities and schedule) will be finalized and agreed jointly by all project participants in Lisbon in Feb 2023 (to include international seminars, study-circles and meetings for the CEGE network). The project will arrange seminars and webinars, and support, upon agreement, methodological pilots (HEADSUP <https://www.mmu.ac.uk/research/research-centres/esri/projects/teaching-sustainable-development> & SAFER <https://rauhankasvatus.fi/en/safer/>) in the school.
- provide training venue, materials, meals, and accommodation in the international seminars; but do not cover salary costs and/or daily allowances.
- cover national and international travels from workplace to training venue.
- keep the participants informed about the project activities.

The school commit to:

- identify participants/participating team.
- inform national contact person and find substitute in time, if travelling and seminar attendance is prevented (for any reason).
- arrange national and international travels, purchase tickets and claim the funds from the co-ordinator within the budget limits defined by the overall project budget and maximum costs of each travel/person agreed with RKI and school. Alternatively individual participants may purchase the tickets and claim reimbursement from the co-ordinator.
- provide necessary insurance for participating personnel during project activities (national and international).

- provide all necessary information and documentation needed for reporting the project latest by 1st March 2024.
